Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Wednesday 29 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A dry night with clear spells, though wetter on Thursday.

This Evening and Tonight:
Showers fade through the evening to leave a dry night with clear spells, turning chilly. However, it will become cloudy through the early hours with spells of rain expected by dawn. Minimum temperature 8 deg C (46 deg F).

Thursday:
A largely cloudy, wet and windy day with spells of rain throughout the afternoon, heavy at times. This clears eastwards across the region into the evening. Maximum temperature 16 deg C (61 deg F).

Outlook for Friday to Sunday:
A wet start on Friday morning, clearing into the afternoon. Becoming much wetter on Saturday with heavy rain. A brighter day on Sunday with locally heavy and blustery showers.
